Request Details:

In connection with my foreign exchange trading account carried by One Global Market LIMITED, the undersigned hereby requests to be charged a “Fee” in lieu of paying/receiving interest for positions held open past the close of business day (“Rollover /or Swap”).

The “Fee” shall be represented as a mark up to the spread or a commission charge in the instance of select account types. “Fees”, as determined and notified by One Global Market LIMITED, may increase or decrease at our sole discretion. To be eligible for an Interest-Free account, a reason for the request must be submitted and approved by One Global Market LIMITED (Additional documents may be required). I hereby provide the reason mentioned in the request reason field as a reason for my request. The “Fee” will be charged to the account per round-turn lot, regardless of whether the position would have been subject to Rollover /or Swap fees. In addition, please be advised that any and all accounts in the name of, or associated with, the account holder(s), will be subject to this agreement. Any abuse of this form shall render it void, and the said account(s) will become subject to being charged the greater of fees charged for all lots traded, or Rollover /or Swap fees that would have been charged to the account.

“Fees” on all account types are subject to change at any time. One Global Market LIMITED reserves the right to change the “Fee” or to revoke the interest-free option on the account in its sole discretion at any time. Certain currency pairs and/or trading styles may be subject to higher commissions and, therefore, may be charged these commissions retroactively. Corporate accounts are not eligible for the interest-free option.

Since the risk factor is high in foreign exchange market trading, only genuine “risk” funds should be used. If an Account Holder does not have excess capital they can afford to lose, they should not trade in the foreign exchange market. There are no guarantees to the limit or to the extent of losses. In cases where an Account Holder receives trading advice from a reseller or referring broker, the undersigned understands that it is their responsibility to closely scrutinize all advice before placing trades. The undersigned acknowledges having received, read, and understood the foregoing commission acknowledgement and interest-free application request.
